Secaucus, NJ -- (ReleaseWire) -- 06/12/2015 -- As a luxury brand, EmpireCLS aligns with recognizable luxury leaders in their respective industries, reflecting their status as a luxury, chauffeured transportation provider, and is proud to highlight their continuing <http://www.empirecls.com/partners>">partnerships with leading hotel and aviation brands.

<http://www.empirecls.com>">EmpireCLS partners with over 20 five-diamond hotels, located primarily in New York and Los Angeles. These hotel partners include prestigious brands that have become synonymous with luxury lifestyles, impeccable service and memorable experiences. A partial list of the iconic brands with which EmpireCLS partners includes the Beverly Hills Hotel, the New York Palace, Trump New York and Montage Beverly Hills. Each hotel with which EmpireCLS partners offers the same elite level of five-star service that EmpireCLS clients have come to expect from this luxury ground transportation company.

EmpireCLS has a longstanding partnership with NetJets, the leader in private aviation. Commercial aviation partners include Etihad Airways and Virgin Atlantic. In keeping with their dedication to a seamless and luxurious aviation experience for each of their customers, EmpireCLS additionally offers an airport concierge service for arriving and departing flights.

"Over the years, EmpireCLS has built close relationships with some of the world's greatest and most recognized luxury brands," said chairman and CEO David Seelinger. "We are honored these brands have entrusted us to transport their clients, and we look forward to continue building upon these relationships."

<http://www.empirecls.com>">EmpireCLS also aligns with the social awareness and responsibility initiatives of these hospitality and aviation brands beyond providing luxury services. EmpireCLS has also partnered with ECPAT-USA, a national organization creating awareness to end human trafficking in the travel tourism industry, training their chauffeurs on signs of possible trafficking and how to act.
